Very Great      5      4      3      2      1      Not Very Good

Please let us know any feedback on design, usefulness, demonstration skills and overall impression you may have (Please type your response below):

---

Design was great, liked the colors and layout of the website. Very useful for advertising my other websites (Facebook, YouTube, Band camp) but the contact page was pretty much just for show. Overall, very well done. Looked like a real professional website.
